This survey is to be filled out by a previous coach or instructor and sealed with coach's signature over the closure, or emailed to [msupompon@gmail.com](mailto:msupompon@gmail.com) prior to tryouts.

**This survey is for potential new members only & should be 100% confidential.**

Candidate Name: \_\_\_\_\_ Coach/Instructor: \_\_\_\_\_

1. How long have you known/worked with this individual?
2. How would you describe this individual's work ethic, dedication and commitment to pompon?
3. What are this individual's top 3 strengths and top 3 areas of improvement? These do not have to be limited to skill/talent.
4. How would you describe this individual's relationship with other team members?
5. How punctual is this individual in terms of arriving on time to practices, performances & events?
6. How did this individual handle balancing pompon, schoolwork and other commitments? Would you say she has quality time management skills?
7. Whether it is during crunch time before a competition, a conflict with a teammate, etc..., pompon can create stressful situations for team members. How has this individual constructively handled stress and pressure while on your team?
8. What leadership traits does this individual encompass? Did she play a valuable leadership role while on your team?
9. Based on this individual's maturity, how do you predict she will transition from high school to college when it comes to academics as well as pompon?

Finally, please take the time to inform us of anything else, as a coach, that you would recommend we know about this candidate. Why or why would you not recommend this individual to be a member of the 2020-2021 MSU Pompon Team? Feel free to attach a separate document, or use the back of this form.
